Life is a Circus, 2011

WORKSHOP DESCRIPTION

This class is an introduction to the ancient Japanese art of Temari. Originally made as a toy and from the silk threads of old kimonos, these decorative hand-stitched balls make wonderful gifts and collectibles today. In this class you will learn how to stitch the temari shown above by using several traditional stitching techniques.

WORKSHOP OBJECTIVES

- Learn about the history of temari
- Mark a simple division and add additional support lines
- Understand basic temari terminology
 - Geographical points on a simple division
 - Layered, interlocked, overlapped designs
- Gain confidence stitching on a sphere
- Learn to stitch several design elements
 - Wrapped Bands
 - Open shapes
 - Spindle stitch
 - Pine needle stitch
- Make a temari base

MATERIALS LIST

- **Tools/Gadgets (*provided for your use during workshop only)**
 1. Needle
 2. Sturdy metal needle threader with small hook*
 3. Glass headed pins of various colors*
