## September 2013- May 2014 Live Paint Event Themes

### September, October and November 2013- **ESMERELDA THE TAP DANCING SPIDER TM**

Who said spiders are scary?! This autumn join the Theatre company Live Paint as we meet a spider named Esmeralda whose favorite thing in the world is to tap dance on a lily pad in the sun. In our adventures we will meet her friends and help solve a very tricky problem that occurs at the enchanted pond. Children will create a spider puppet they will use as a prop to help save the day!

### December 2013- **WINTER SNOWFLAKE FESTIVAL**

Celebrate this time of love and light with a tale of wonder as we enter a land where winter has come but the snowflakes have stopped falling! Children will create a snowflake-decorated letter for winter hoping to bring the beauty of snow back to the land! Will they be successful?

### January and February 2014 **WITH MY DREAMS I CAN DREAM! TM..**

...I am a human person. I grow and learn and play and dream.  
There are so many different kinds of dreams, as many as there are people in the world... (Excerpt from Live Paint original story With MY DREAMS I CAN DREAM TM) In honor of Dr. Martin Luther King Jr.'s famous speech we explore his vision of the world (and ours) using our imaginations, movement, art and story.

### March, April and May 2014- **MULTICULTURAL TREE TALES**

Spring will weave magic tales through the treetops of Ireland, Scotland, India and Japan. In our story adventures we meet some amazing friends, birds! To offer their new friends a place to sleep children will create handmade nests to place in a tree that takes "root" right before their very eyes!

**Summer event themes for June through August 2014 coming soon!**
