## Ladies Night – Friday, May 9th 5:00 pm-8:00 pm

Join us at the Tacoma Tasting Room for our first ever Mini Art Show! We will be featuring three local artists. Come meet the artists and find out what inspires their beautiful creations. **And while you are here enjoy tasting award-winning wine from Ginkgo Forest Winery.**

### Rosalind Phillips Photography

New photography show at Ginkgo Tacoma's rotating gallery. Meet the artist, Rosalind Phillips at Ladies Night, on Friday, May 9<sup>th</sup>. She is showing lovely nature and wildlife prints in full color, framed and ready for purchase, just in time for Mothers' Day giving!

### Baird Boxes

Other exquisite gifts available from Baird Boxes. Dale Baird makes delicate wooden boxes using a variety of different types of wood, creating complexity and depth in his designs. The boxes can hold treasures or simply be displayed as a work of art on their own. So lovely for a "one of a kind" Mothers' Day gift.

### Mesolini Glass Studio

**"Our dishware is fully functional, made to be used and enjoyed for all occasions."** Befitting tables casual or formal, these dishes can be used and enjoyed. With little effort, your present dishware or china can be updated or enhanced. Perfect for the sophisticated glass collector or a new bride, Mesolini dishware can create a lasting impression. The cut-off edge is their distinctive signature. Each piece is signed, dated and numbered. Beauty, functionality and uniqueness are the hallmarks of Gregg Mesmer's & Diane Bonciolini's kiln-formed glass table wear. Think Mothers' Day or maybe a gift to yourself.
