

art on view

FEATURING **SIEGE**
AT AUBURN'S CHERYL SALLEE GALLERY

SIEGE | July 11th - September 12th, 2019

Seeking to balance image and interpretation in his often textural and creatively abstracted paintings, Siege believes that the art must "do the talking." He believes that his work will "create a different experience for each person who views it."

Auburn Senior Center - Cheryl Sallee Gallery | 808 Ninth ST SE.
