FOR IMMEDIATE RELEASE: July 8, 2021

The City of Auburn and the Auburn Arts Commission are pleased to present the work of the Kate Ampersand at the Community Center Gallery, on view July 8th – September 9th, 2021.

The theme of artist Kate Ampersand's work for the City of Auburn exhibition is reflections; her work seeks to capture "patterns and textures, whether existing in nature or man-made." Unlike many contemporary digital photographers, Ampersand does as little post-processing of her photos as possible, stating that she prefers the "challenge of capturing real life moments as they actually exist, in-camera, rather than sitting at the computer producing images that are digital manipulations."
