**FOR IMMEDIATE RELEASE: July 8, 2021**

The City of Auburn and the Auburn Arts Commission are pleased to present the work of the Dinah Rau at the City Hall Gallery, on view July 8<sup>th</sup> – September 9<sup>th</sup>, 2021.

“I have spent many years in love with dreamy things like color, beauty, and the way the past becomes softened over time and gets fuzzy edges. Using color and aesthetics I hope to investigate the feelings that emerge when looking at metaphors and memories. I paint to create healing and wholeness — to tell a story and have it resonate. My desire is to express what I feel, using acrylic on canvas, in the hope that someone else can feel the same wholeness or sense that they are not alone.” – Dinah Rau
