

YESS Youth Climate Council

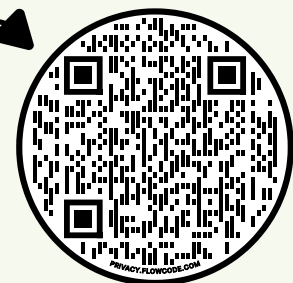

Help shape local climate solutions!

Get the tools you need at a five-day training in August and then contribute your ideas throughout the 2026-2027 school year.

Apply by May 20.
For youth ages 14-22.
Attend a virtual Q&A
session April 7 or 23.

What You'll Gain:

- Earn volunteer hours
- Gain experience in climate action and community engagement
- Build your resume
- Visit a local solar field, forests, Puget Sound, and more
